2. INSPECTION STANDARDS This inspection and written report will be performed in accordance with the "Standards of Professional Practice" as set forth by the Arizona Chapter of the American Society of Home Inspectors (ASHI) ®, a copy of which is included as part of this agreement (also available online at www.avinspect.com) and its receipt is hereby acknowledged by the Client. Inspections performed according to these guidelines are intended to provide the customer with a better understanding of the condition of the property, as observed at the time of the inspection. The name of the Inspector and his/her AZ State Home Inspector Certification number will be included in the inspection report and are included in this Agreement by reference.

3. VISUAL INSPECTION The inspection and report is based on the observation of the conditions that existed at the time of the inspection only. The inspection is limited to readily accessible and visible systems, equipment and components. Conditions indicated in the report are the professional opinion of the Inspector only. If the Inspector recommends consulting other specialized experts, Client agrees to do so at Client's expense. Client is responsible for whatever could have been determined from consultation with those other experts, had the Client contacted them as recommended. The onsite inspection and written report are performed and prepared for the sole, confidential and exclusive use and possession of the Client; the report is not transferable. Alta Vista will not be held responsible for use or misinterpretation of the inspection report by third parties. In the event that a reinspection of the property is required, the terms and conditions herein shall apply to the reinspection. A separate fee will be charged for reinspections. CONTRACT AGREEMENT FOR INSPECTION SERVICES (CONTINUED)

7. LIMITATION OF LIABILITY If a dispute arises from the inspection, the Client agrees not to alter, modify or repair any disputed component or condition without Alta Vista first re-inspecting the situation. Failure of Client to provide Alta Vista with the opportunity to re-inspect before any repairs, alterations or modifications are made, shall result in the forfeiture of Client's right to claim/refund. The Client acknowledges and agrees, that in the event that Alta Vista, its employees or agents are found liable for any loss or damages resulting from a failure to perform any of its obligations, including but not limited to negligence, breach of contract, errors or omissions, or otherwise, the liability shall be limited to an amount not to exceed 100% of the fee paid for the inspection service. The parties agree that any item that costs less than 1/2 of 1/2 of 1% of the purchase price of the home/building to replace/repair, is a trivial item that is outside the scope of the inspection, that does not need to be reported by the home inspector, and for which Alta Vista Inspection Services and the home inspector, will not be liable. The liability limitation may be removed by Client electing in writing to have Alta Vista perform an exhaustive inspection under a separate agreement and scope of work at an estimated cost of 3 to 4 times that of the limited visual inspection described in this Agreement. The parties agree to settle any claim which may arise out of the performance of this Agreement, in Maricopa County, Arizona by mediation, or, if the matter is not resolved by mediation, by Final and Binding Arbitration in accordance with Arizona's Arbitration Act, A.R.S. 12-1501 et seq.
